Faith Formation Liability Release

I understand that all reasonable efforts to provide a safe environment for my child and myself during Faith Formation activities have been taken.

Because of these efforts, I hereby release St. John Neumann Parish from any liability for any injury or negative effect I or my child(ren) may experience during Faith Formation events.

I also understand that I and/or my child(ren) may be photographed or recorded during Faith Formation events and that those pictures or recordings may be used in advertising efforts.

(Note: No names will be used without prior permission)

I understand that I can request in writing that my child and myself not be photographed or recorded directly; however, this does not exclude either of us from appearing in group pictures or the background of other individual photos or recordings.
