TREASURES FROM OUR TRADITION

Every week, some treasures from our tradition are shared here. Where does all this history come from? The history of God's people of prayer is always coming to light, mostly because scholars have dedicated their lives to research. They translate and ponder prayers and songs; explore the places used for worship; look at the vessels, books, and vestments; and read works from legal documents to letters and diaries. In the 1930s, Hitler's rush to arm Germany closed seminaries as priests and seminarians alike were drafted into service.

One professor, Father Josef Jungman, forced from his classroom, spent the war years in an Austrian library. His careful work disclosed much of what we know of the history of the Mass. His great work, *The Mass of the Roman Rite*, describes the evolution of Eucharistic celebration and inspired generations of scholars to explore a tradition surprisingly rich and varied. It was said of him that he had a command of the past that cast new light on the present, and opened up a clear direction to the future. His contributions to the Second Vatican Council helped shape the way that we worship today. At the end of his life, in 1975, his studies completed, he told a friend that he was waiting patiently for the Lord's knock at the door to take him to the heavenly banquet.

MASS OF REMEMBRANCE: HONORING THE PASSING OF OUR LOVED ONES

Recognizing the grief from separation of a loved one continues long after the funeral and wanting families to know that they are not alone in their grief and loss, PHM invites all parishioners to attend, support and celebrate with these families during the Mass of Remembrance on Thursday November 6, 2025 at 6 pm.

This annual Mass of Remembrance recognizes those dearly departed in the last year, though everyone is invited to participate in remembering all their loved ones who have gone before us. Once again, this year we ask for all families, no matter when the passing of your loved one occurred, to provide a framed photo of those that have gone before us. These photos will be on display in Narthex and will be moved into the Sanctuary for the Mass. Please place your contact information on back of frame to ensure you receive the photo back after Mass of Remembrance. Photos can be brought to office and placed in container labelled for Mass of Remembrance photos. Thank you for providing a photo. You may still bring a photo in on the evening of the Mass.

Faith Formation Spotlights

Meet Our Director: Nate Gulya

If you've spotted a cowboy hat around St. John Neumann, it's likely worn by Nate Gulya, our Director of Faith Formation. The hat has become a signature part of Nate's welcoming presence since he took on the role of Director of Religious Education (DRE) at SJN.

Nate has been married for 13 years and is the proud dad of three boys. He spent a decade in youth ministry before becoming a DRE, and his passion for sharing the faith began with his own encounter with Jesus in high school at Lancaster Catholic. He's an Eagle Scout with a Master's in Moral Theology, a marathon runner, guitar player, chess fan, and video game enthusiast—but more than anything, Nate is known for being a kind, thoughtful listener and an enthusiastic disciple of Jesus Christ. We're grateful for the joy, wisdom, and vision he brings to our parish community!

If you would like to register your family for Faith Formation, email ngulya@sjnlanaster.org.

Saints Simon and Jude, Apostles

October 28

Saint Jude, apostle and . . . Hollywood success story? Indeed! Beyond Simon's being a "Zealot" for Israel's liberation and Jude's question about Jesus revealing himself (John 14:22), no historic facts are known about either saint. But Saint Jude's well-known patronage of "lost causes" and "hopeless cases" is largely due to a desperate vow made just before World War II by a struggling entertainer, the son of Arab-American immigrants, Danny Thomas. Unemployed, his wife about to give birth, Danny, attending Mass, impulsively donated his last \$7.00 to the collection, promising: "Saint Jude, if you help me find my way in life, I will build a shrine in your honor!" Older Americans remember well Danny's long, successful movie and television career. Grateful parents worldwide know the miracles that have taken place for fifty years at his Saint Jude Children's Research Hospital, where needy children are cared for regardless of race, religion, or financial resources, and monumental advances continue in healing and preventing pediatric cancers and catastrophic childhood diseases. A living, life-giving partnership is this "Communion of Saints": Simon, Jude, Danny Thomas—us!
